

## Operate in Compliance and with Confidence

### INTEGRAL BOND AND INSURANCE SOLUTIONS for FTZ Operators/Users

National Association of Foreign Trade Zones Select Member Program

As FTZ Operators and Users, you face a number of compliance and risk management challenges. You must comply with multiple laws and regulations to meet CBP regulations, including the execution of specific Customs Bonds. Additionally, you need to manage an array of FTZ-specific risks that come with the storage, handling, processing, or manufacturing of goods in your zone.

Roanoke offers a holistic approach to address your needs. We are a one-stop shop for the Customs Bonds and Insurance products and services you need to successfully operate your Foreign Trade Zone, and we offer preferred pricing to NAFTAZ members.

#### About Roanoke

Roanoke Insurance Group Inc., a Munich Re company, is a specialty insurance broker focused on surety bond and insurance solutions for logistics service providers, customs brokers and companies managing supply chains. Founded in 1935, Roanoke was the first provider of customs import bonds, as well as the first appointed ATA Carnet provider in the United States. Roanoke has decades of partnership with the trade community as a trusted provider of Insurance, Surety Bonds, ATA Carnet products and specialty services.
